SUBPART A. GENERAL

47.1 Applicability

This part prescribes the requirements for registering aircraft under Article 25 of the Aviation Act No. 1 year 2009. Subpart B applies to each applicant for, and holder of, a Certificate of Registration. Subpart C is the requirements of Irrevocable Deregistration and Export Request Authority (IDERA) for aircraft subject to Cape Town Treaty.

47.3 Register of civil aircraft

The register of civil aircraft shall be established and maintained by the Director General. The Director General shall record in the register the following informations in respect of each civil aircraft registered in Indonesia:

- a. The number of the certificate of registration,
- b. The nationality and registration marks,
- c. The manufacture's designation of the aircraft,
- d. The serial number of the aircraft,
- e. The name of the registered owner,
- f. The address of the registered owner,
- g. The name of the registered operator,
- h. The address of the registered operator,
- i. The date on which the entry was made in the register, and
- j. The type of operations for which the aircraft is registered.

47.5 Eligibility for registration

An aircraft shall be eligible for registration in Indonesia only when the aircraft is:

- a. Not registered in other country, and
- b. Owned by Indonesian citizen or Indonesian legal entity, or
- c. Owned by a foreign citizen or foreign legal entity and operated by an Indonesian citizen or Indonesian legal entity for a minimum utilization period of 2 (two) years continuously based on an agreement/contract, or
- d. Owned by government agency or regional government and the aircraft is not utilized for law enforcement mission, or
- e. Owned by a foreign citizen or foreign legal entity whose aircraft is in possession of an Indonesian legal entity based on an agreement/contract subject to the law agreed upon by the parties for purposes of aircraft storage, hire/rental, and/or commerce.
- f. All duties due and payable under the laws of Indonesia in respect of the importation of the aircraft into Indonesia have been paid,

- g. All insurance required by Article 62 of Aviation Act No. 1 Year 2009 have been covered.

47.7 Applicant

Applicant who wishes to register an aircraft in Indonesia must be an Indonesian Citizen or Legal Body under the Law of the Republic of Indonesia.

47.9 Evidence of ownership

- a. Each person who submits an application for aircraft registration under this part shall also submit the required evidence of ownership.
- b. The evidence of ownership may be in the form of Bill of Sale or Grant Certificate/Document or other form as acceptable by Director General.

47.11 Appointment to act on behalf of more than one owner

If an aircraft is owned by more than one person, it must be appointed one to act on their behalf in order to register the aircraft.

47.13 Registration mark

Registration mark of an aircraft is assigned by the Director General in accordance with requirement of CASR 45.21.

47.14 Temporary Certificate of Registration

- a. Temporary certificate of registration is issued by the Director General and shall be displayed on aircraft during flight for the purpose of:
 - 1. Production test flight, demonstration, marketing, or delivery flight of new aircraft produced by Indonesian manufacturer,
 - 2. Delivery of aircraft to the Republic of Indonesia.
- b. A temporary certificate of registration shall remain valid for the period specified in the certificate and shall not exceed three months,
- c. A temporary certificate of registration is not valid for revenue flight.

SUBPART B.
CERTIFICATE OF AIRCRAFT REGISTRATION

47.21 Application for registration

- a. Application for registration of an aircraft in Indonesia shall be made in a form as prescribed by the Director General.
- b. Submits an evidence of ownership as required on paragraph 47.9.

47.23 Certificate of registration

- a. An aircraft may be registered only by and in the legal name of its owner.
- b. Certificate of registration is not evidence of ownership of aircraft in any proceeding in which ownership by a particular person is in issue. The Director General does not issue any certificate of ownership or endorse any information with respect to the ownership on a Certificate of Registration. The Director General issues a Certificate of Registration to the person who appears to be the owner on the basis of the evidence of ownership submitted pursuant to Section 47.9 with the application for aircraft registration, or record at the Civil Aircraft Register.
- c. In this part, "owner" includes a buyer in possession or person in accordance with paragraph 47.11.

47.25 Duration of Certificate of Registration

A Certificate of Registration shall remain valid for the period of validity specified in the certificate and such period shall not exceed three years from the date of initial issue or previous renewal of the Certificate.

Each Certificate of Registration issued under this subpart will be effective until such period stated on certificate, unless:

- a. The registration is canceled upon written request from the holder of certificate, or authorized person, under the following conditions:
 - 1. Lease agreement has terminated,
 - 2. Termination of agreement as agreed upon by the parties,
 - 3. Intention to register into other country,
 - 4. Aircraft total loss during accident,
 - 5. Aircraft is permanently withdrawn from use,
 - 6. Aircraft is intentionally scrapped or destroyed,
 - 7. Ownership of the aircraft is transferred.
- b. Breach of contract (non-performance) by lessee of aircraft without any court's decision,
- c. Certificate of Airworthiness can not be maintained continuously for more than three years.

47.27 Change of ownership of aircraft

- a. Where there is a change in the ownership of a registered aircraft, the Certificate of Registration shall thereupon be deemed to be canceled and certificate holder or authorized person shall forward the followings to the Director General:
 1. Application for the change of ownership, setting out the full name and address of the new owner and date of change of ownership,
 2. Evidence of Ownership,
 3. In case of leased aircraft, the lease agreement shall be amended to reflect the new ownership;
- b. When all requirements for the owner change has properly been fulfilled, the previous Certificate of Registration shall be returned to Director General, a new Certificate of Registration shall be issued and the appropriate entry shall be made in the Civil Aircraft Register.

47.29 Change of address

In case of change to owner permanent address, the holder of a Certificate of Registration shall notify the Director General with evidence of registration of the new address. A revised Certificate of Registration shall be issued as necessary.

47.31 Cancellation of certificate for export purpose

- a. The holder of a Certificate of Registration who wishes to cancel the certificate for the purpose of export must submit to the Director General a written request and describes the aircraft by registration mark, make and model, serial number, and the country to which the aircraft will be exported,
- b. Director General will notify the cancellation to the country to which the aircraft is to be exported.

47.33 Renewal or replacement of certificate

If a Certificate of Registration is lost, stolen, or mutilated, the holder of the Certificate of Registration may apply to the Director General for a new certificate.

SUBPART C :
IRREVOCABLE DEREGISTRATION AND EXPORT REQUEST AUTHORITY
(IDERA)

47.41. Record and deletion of IDERA

Indonesia Aviation Act No. 1 year 2009 governing an aircraft could be treated by international interest pursuant to a security agreement, title reservation agreement, or lease agreement.

Registered Operator or Owner may issue to Authorized Party an Irrevocable Deregistration and Export Request Authorization (IDERA) for aircraft which have obtained an Indonesian Certificate of Registration.

Irrevocable Deregistration and Export Request Authorization (IDERA) shall be acknowledged and recorded by the Director General when applicant has completed the Form of IDERA in correct manner.

IDERA can only be revoked upon request from Authorized Party or debtor with the written consent from Authorized Party, and record of IDERA will be deleted accordingly.

47.42 Cancellation of aircraft registration pursuant to IDERA

Pursuant to the Aviation Act No. 1 year 2009 Article 75 (2), aircraft deregistration subject to IDERA will be processed within five working days from the date of application received by Director General.

Authorized party or its certified designee may request the deregistration of aircraft to Director General.
